

Khachkar Studios: Masterclass #1

30-Second Commercial Script

[Sound: Double church bell. Pause. Then cheerful, contemporary music]

ANNOUNCER (warm, conversational): Only 3% of Armenian Americans attend church regularly. That's about the same odds as a birth defect. But what if we could change that?

Khachkar Studios presents a groundbreaking free Masterclass: "Growing the Faithful" — revealing four breakthroughs in 42 minutes that could double church attendance in five years.

Built on biblical wisdom and world-class benchmarking, this is transparency meeting faith.
