Notes:

- 1) For U.S. and Armenian numbers, see Khachkar Studios Masterclass #1, #2, and #3; and Briefing Packets #5 and #6.
- 2) "Faithful" definition is the median number of attendees at non-holiday Sunday church.
- 3) Source of the Estimated total Armenian population in Greater London is the Armenian Community Council of the United Kingdom (ACC UK) – 2015.
- 4) Source of the Estimated total Armenian population in Greater London is the UK Office for National Statistics (ONS) 2021 Census.
- 5) The female 18-29 Armenian population in Greater London is estimated by applying the same share of females aged 18-29 in Greater London's total population (9.6%, ONS 2021 Census) to the estimated total Armenian population. This assumes the Armenian community's age and sex distribution matches that of Greater London as a whole.

OUR MISSION

Empower Armenian Christian leaders, especially women aged 18 to 29, to transform our churches, strengthen our faith, and build a vibrant future rooted in Christ and our heritage.

“There is nothing hidden except to be manifest.”

— Mark 4:22

“

Only **1% - 2%** of the greater London Armenian community is **"Faithful"** as defined;
the difference between 99% and 98% NOT attending is insignificant and serves as a distraction
from the shocking reality and the need for major changes.

OUR MISSION

Empower Armenian
Christian leaders,
especially women
aged 18 to 29,
to transform our churches,
strengthen our faith,
and build a vibrant
future rooted in
Christ and our heritage.
